## Elementary

*Along with academics, we strive to build spiritual foundations and encourage students in their Christian growth through daily Bible classes, devotions, weekly chapel, and special activities, including our annual Spiritual Emphasis Week.*

*This safe school setting has a child-centered environment with a warm family atmosphere and caring staff. Parents are welcomed and encouraged to be a part of their child's education by volunteering in the classroom and participating in school activities. Teachers work with all students to ensure they are reaching their academic potential. Parents are kept informed and children are encouraged to enjoy the process of learning.*

**Immanuel Center for Christian Education is the only Mississippi K-12 school with all three accreditations:**

**SACS (Southern Association of Colleges & Schools)**

**MPSA (Mississippi Private School Association)**

**ACSI (Association of Christian Schools International)**

*These accreditations require all of Immanuel's K5 through 12th grade teachers to be certified and hold college bachelor's or master's degrees in education.*

Academics are challenging and proven to advance students scholastically.
